# **Instructions and Regulation Requirements**

#### **Instructions**

All fields in Sections 1 and 2 are required unless marked "optional." If the person or entity appointing a representative doesn't have a Medicare number or National Provider Identifier, fill in "not applicable." Go to the regulation at 42 CFR 405.910: ECFR.gov/current/title-42/chapter-IV/subchapter-B/part-405/subpart-I/section-405.910

Waiver of Fee for Representation Section 3 is required when a representative is required, or has agreed, to waive or not charge a fee for their representation. Waiver of Payment for Items or Services at Issue Section 4 is required if a provider or supplier who furnished items or services to the patient represents the patient and liability (knowledge of non-coverage) under §1879(a)(2) of the Act is at issue in the appeal. Go to 42 CFR 405.910(f).

An appointment of a representative is considered valid for one year from the date this form is signed by both the person appointing a representative and the appointed representative. A completed form can be used for other appeals or actions during the one-year period it's valid. Unless revoked, the representation is valid for the duration of the claim, appeal, grievance, or request for which it was filed.

# Charging fees for representing patients before the Secretary of HHS

An attorney, or other representative for a patient, who wants to charge a fee for services rendered in connection with an appeal before the Secretary of HHS (i.e., an Administrative Law Judge (ALJ) hearing or attorney adjudicator review by the Office of Medicare Hearings and Appeals (OMHA), Medicare Appeals Council review, or a proceeding before OMHA or the Medicare Appeals Council as a result of a remand from federal district court), is required to have the fee approved in accordance with 42 CFR 405.910(f).

The representative should complete the form OMHA-118, "Petition to Obtain Approval of a Fee for Representing a Beneficiary" and file it with the request for ALJ hearing, OMHA review, or request for Medicare Appeals Council review. Fee approval is not required if: (1) the appellant being represented is a provider or supplier; (2) the fee is for services rendered in an official capacity such as that of legal guardian, committee, or similar court-appointed representative, and the court approved the fee; (3) the fee is for representing a patient in a proceeding in federal district court; or (4) the fee is for representing a patient in a redetermination or reconsideration. Representatives are permitted to waive their fee if they choose. Get form OMHA-118 here: HHS.gov/sites/default/files/OMHA-118.pdf

A provider or supplier who furnished the items or services to a Medicare patient that are the subject of the appeal may represent that patient in an appeal, but the provider or supplier may not charge the beneficiary any fee associated with the representation. (42 CFR 405.910(f)(3).)

#### Approval of fee

The fee approval requirement ensures that a representative is paid fairly for their services and that patient fees are reasonable. In approving a requested fee, OMHA or Medicare Appeals Council will consider the nature and type of services rendered, the complexity of the case, the level of skill and competence required, the amount of time spent on the case, the results achieved, the level of administrative review needed, and the amount of the fee requested.

#### **Conflict of interest**

Sections 203, 205 and 207 of Title XVIII of the United States Code make it a criminal offense for certain current and former officers and employees of the United States to render certain services in matters affecting the government or to aid or assist in prosecuting claims against the United States. Individuals with a conflict of interest are excluded from serving as representatives of patients before HHS.
